

Concert Comments

Recently, we asked visitors of Ann's website (www.anndowning.com) if they'd ever seen her in concert. We also gave them the opportunity to leave their comments. Here's what they had to say:

Ann is like a burst of sunshine! Her smile will light up a room! Her singing will melt your heart! God really uses her to spread His love around the world!

We saw Ann in Dillsburg, Pa. and just fell in love with her spirit. My friend still talks about how he was blessed and how much he thinks of her ministry. That's when I became a fann-tastic and just appreciate so much the spirit that comes across in your concerts.
