"As a minister of Worship, I hear so much music and receive new cd's all the time. I listened to Ann's new cd...her music, her message, and just 'Ann Downing' pulled me right in, made me listen, be involved, and caused me to worship God and praise Him while being blessed by the whole experience. Ann Downing is REAL! I love her new project...it is my new favorite!"

Jim Van Matre, Minister of Music & Worship

Dauphin Way Baptist Church, Mobile, AL

"Ann Downing knows where the heart is! She sings with passion, grace, and quality, but her aim is to deliver God's Word where it's needed the most, right in our hearts. Her stature in gospel music is unquestioned and her professional ability with few peers. But Ann ministers and that's what's most important to any local church."

Harlan Moore, Minister of Music and Worship

Bethany First Nazarene Church , Bethany , OK

"Ann Downing represents all the best of traditional southern gospel music and churchmanship. In her home church, she is loved and respected for her ministry and her faithfulness across the years. She's combined musical ability and her faith with quality."

Pastor Gary Henecke

"We have known Ann for 30 years and if you have been enjoying the Homecoming video tape series, you know of our involvement together. We feel she will be an encouragement to your church or any place of ministry in her music and speaking. She is a communicator!"

Bill and Gloria Gaither

"Ann Downing is a special blessing to the body of Christ. The Lord has anointed her and given her such a powerful ministry. Whether singing or speaking, she demonstrates such class and elegance. When I think of Ann Downing, I think quality, genuineness, and real talent."

Mike Speck

Christian Music Artist and Choral Arranger

"For 17 years of my pastoral ministry, Paul and Ann Downing were a part of my congregation. I observed how God used them to bless multitudes of people in their music ministry. After Paul's homegoing, I am grateful Ann has continued that ministry and I highly recommend her to any group as someone who will share from her heart the things God has taught her through good times and bad times."

Dr. Millard Reed Retired President,

Trevecca Nazarene University

"Ann Downing is a remarkably talented Gospel singer and pianist. I have personally watched her come through life's most difficult situations and come out on top with God's help. She is a beautiful person that sings and plays with a deep understanding of your pain and joy. She is a must-have artist for your church, camp meeting or event; not only very professional but spiritually transparent."
