I'm A Survivor!

Sometimes life votes you off the island and you feel like you are the weakest link! When you've run out of lifelines and there's no friend to phone, how will you make it in the real world? Ann turns to the Bible to find the first real survivor – and wouldn't you know she was a woman? Travel with Ann as she ventures down the road with Ruth and learn to find the handfuls of purpose in your own life.

Enough of the Fluff...Gimme the Real Stuff!

Comfortable Christianity, move over! Wave goodbye to your laid-back religion – this is where the rubber meets the road. When life forces you out of the hymnbook and off of the pew, what in the world will you do? Walk with Ann on a journey that takes you face to face with your faith, and challenges you to put it into practice!

Above All Else

Gotta check the mirror once more to make sure you're in the best condition possible? But have you checked your "heart condition" today? Journey with Ann through a series of "heart Scriptures" to learn what our Heavenly Father puts 'Above All Else' and what "heart-titudes" He desires us to possess.

No Strings Attached

Love and acceptance....we all want it, but how many times do we get it with no expectations in return? How do we show our very personal selves to others or even to God? Masterfully weaving a very personal story of creating a piece for her craft-talented mother, Ann communicates beyond a doubt that we're loved...strings and all....with no strings attached.
